THE NEWS.
When You Have a Cold.
The first action when you have a
cold should be to relieve the lungs.
This is the best accomplished by
the free use of Chamberlain's Cough
Remedy. This remedy liquefies the
tough mucus and causes its ex-
pulsion from the air cells of the lungs,
produces a free expectoration, and
opens the secretions. A complete
cure soon follows. This remedy
will cure a severe cold in less time
than any other treatment and it
leaves the system in a natural and
healthy condition. It counteracts
any tendency toward pneumonia.
For sale by A. R. Kane.

Perfect Confidence.
When there used to be a feeling
of uneasiness and worry in the
household when a child showed
symptoms of croup, there is now
perfect confidence. This is owing to
the uniform success of Chamber-
lain's Cough Remedy in the treat-
ment of that disease. Mrs. M. I. Bas-
ford, of Poolesville, Md., in speaking
of her experience in the use of that
remedy says: "I have a world of
confidence in Chamberlain's Cough
Remedy for I have used it with per-
fect success. My child, Garland, is
subject to severe attacks of croup
and it always gives him prompt re-
lief." For sale by A. R. Kane.

than all the medicines I ever used.
They have also kept my wife in ex-
cellent health for years. She says
Electric Bitters are just splendid
for female troubles; that they are a
good tonic and a vigorous for weak
run down women. No other medi-
cine can take its place in our fam-
ily." Try them. Only 50c. Satisfac-

Climatic Cures.

The influence of climatic condi-
tions in the cure of consumption is
very much overdrawn. The poor
patient, and the rich patient, too,
can do much better at home by
proper attention to food digestion,
and a regular use of German Syrup.
Free expectoration in the morning
is made certain by German Syrup,
so is a good night's rest and the ab-
sence of that weakening cough and
debilitating night sweat. Restless
nights and the exhaustion due to
coughing, the greatest danger and
dread of the consumptive, can be
prevented or stopped by taking Ger-
man Syrup liberally and regularly.
Should you be able to go to a warm-
er climate, you will find that of the
thousands of consumptives there,
the few who are benefited and re-
gain strength are those who use
German Syrup. Trial bottles, 25c;
regular size 75c. At A. R. Kane's.

If you are looking for opportu-

All over the Southwest, cities and
towns are growing up, expanding,
requiring more, demanding more,
peopled by eager, pushing, wide-
awake citizens, who see the virtue
of encouraging enterprises of every
kind, the needfulness of getting
more and better facilities, and more
hands to develop the country.
Briefly, the condition is this: The
Southwest is really in need of noth-
ing save people. More men are
wanted. In the Southwest are vast
areas of unimproved land—land not
yielding the crops of which it is ca-
pable. The same thing, in a differ-
ent way, is true of the towns. Few
lines of business are adequately
represented. There are openings of
all sorts—for mills and manufac-
turing plants, for small stores of all
kinds, for banks, newspapers and
